For mutual benefit and permanent relationship of the institute and its pass out students, the need of registered Alumni Association has been felt by alumni as well as faculty of the institute since long. We at UIET are working towards this and seek active cooperation from our Alumni to make it a reality.

All Alumni of U.I.E.T. are cordially invited to attend a meeting regarding formation of registered Alumni Association on October 15<sup>th</sup> 2016 (Saturday) at LHC UIET, CSJMU, Kanpur. The meeting is expected to run for whole day with single point agenda of deciding the structure of the association, its constitution, rules and by-laws.

**It is expected that nominations for the various posts of Executive Committee (e.g. President, Vice president, Treasurer etc.) will also take place. Thereafter, the process of proper elections would be executed by nominated members.**

A worked out draft will be provided to the present Alumni for enabling them to understand the constitution and give their valuable suggestions.
